

S400WR

double 4 inch full range waterproof plastic speaker

Description

Professional portable and installed plastic loudspeakers where high sound quality is required. Can be used in applications including sound reinforcement in Front of House and Foldback applications in Houses of Worship, Events, Clubs, Rehearsal Halls etc. The S Series is suitable for music and vocal reproduction in demanding applications. The cabinet is made of high strength plastic material with excellent weather resistance. The special coating process makes the cabinet surface scratch-resistant and corrosion-resistant. The selected polyester damping material effectively absorbs cabinet standing waves. The built-in crossover circuit and different voltage outputs provide users with more options. Aiming at this special cabinet, the transducers used are optimized by our experienced engineers, who focus on the magnetic system and vibration system. To get excellent performance, the engineers take a lot of advanced technology to decrease the magnetic impedance and lower the magnetic leakage, without increasing the transducer weight.

Features

- 2-way 3-transducer full range waterproof plastic speaker.
- Comprising double 4 inch high sensitivity, big power pro woofers.
- One 25mm silk soft dome tweeter.
- 120°×120°dispersion.
- Single-amp.mode.
- Suits venues like supermarket or coffee house for background music

application. Also can be used in conference room or for personal multi-media purpose as a monitor.

- Special mounting bracket is designed for convenient min.10° splay angle adjustment of the cabinet vertically.

double 4 inch full range waterproof plastic speaker

Technical specifications

| | |
|--------------------------|-------------------|
| Frequency Response(-3db) | 80Hz-20kHz |
| Rated Power(RMS) | 80W |
| Max SPL @ 1m | 111dB/117dB(PEAK) |
| Sensitivity 1W @ 1m | 92dB |
| Dispersion (H x V) | 120° × 120° |
| Nominal Impedance (Ohm) | 4 Ω |

Physical specifications

| | |
|--------------------------------|--|
| Box | double 4 inch full range waterproof plastic speaker |
| Woofer | double 4 inch high sensitivity,big power pro woofers |
| Compression driver | 25mm silk soft dome tweeter |
| Cabinet/Case Material | Plastic |
| Box surface treatment | Black polyimide spray |
| Grille | Black powder spraying |
| Connector | 2 x NL4 |
| Optional Accessories | Lifting kit |
| Dimensions(W x D x H) | 182 × 182 × 320mm |
| Package Dimensions(W x D x H): | 220 × 220 × 355mm |
| Net weight | 4.5kg |
| Gross weight | 5.5kg |
